

Appl. No. : 10/729,018
Filed : December 5, 2003

REMARKS

Claims 1-61 were pending in this application. Claims 1, 24, 41, 44, and 60 are canceled herein. Claims 2-4, 8-10, 14-17, 21-23, 25-27, 30-32, 36-38, 42-43, 45-51, 55-56, and 61 are amended. Accordingly, Claims 2-23, 25-40, 42-43, 45-59, and 61 remain pending for reconsideration.

Pending Claims Comply With § 112 And Are In Condition For Allowance

Claims 37, 41, and 55 stand rejected under 35 U.S.C. § 112, second paragraph as being indefinite. The dependency of Claim 37 is amended to clarify that the ophthalmic device recited in the base claim may comprise an opaque bio-compatible material. Similarly, Claim 55 has been amended to clarify that the ophthalmic lens recited in the base claim may comprise an opaque bio-compatible material. Claim 41 is canceled herein.

Claims 3, 25, 45, and 61 were objected to as being dependent upon a rejected base claim but were indicated as being allowable if rewritten in independent form including all the limitations of the base and any intervening claims. Claims 3, 25, 45, and 61 have been amended to contain all the limitations of independent Claims 1, 24, 44, and 60 respectively. Claims 3, 25, 45, and 61 depended directly from Claims 1, 24, 44, and 60. Thus, Claims 3, 25, 45, and 61 are in condition for allowance.

Claims 2 and 4-23 as-filed or as amended herein depend from Claim 3 and further define the invention defined in Claim 3. For at least the reasons set forth above with respect to Claim 3, Applicants respectfully submit that Claims 2 and 4-23 are patentable at least for the same reasons that Claim 3 is patentable. Therefore, Applicants respectfully request allowance of Claims 2 and 4-23.

Claims 26-40 and 42-43 as-filed or as amended herein depend from Claim 25 and further define the invention defined in Claim 25. For at least the reasons set forth above with respect to Claim 25, Applicants respectfully submit that Claims 26-40 and 42-43 are patentable at least for the same reasons that Claim 25 is patentable. Therefore, Applicants respectfully request allowance of Claims 26-40 and 42-43.

Claims 46-59 as-filed or as amended herein depend from Claim 45 and further define the invention defined in Claim 45. For at least the reasons set forth above with respect to Claim 45,

Appl. No. : 10/729,018
Filed : December 5, 2003

Applicants respectfully submit that Claims 46-59 are patentable at least for the same reasons that Claim 45 is patentable. Therefore, Applicants respectfully request allowance of Claims 46-59.

Applicants do not acquiesce in the rejections or in the Examiner's statements concerning the scope of the references cited. Applicants reserve the right to pursue claims of scope similar to the scope of the claims canceled herein.

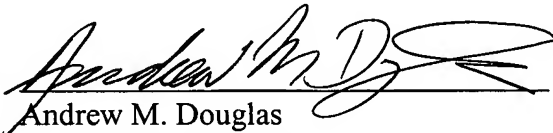

SUMMARY

For the foregoing reasons, the Applicants respectfully submit that the present application is in condition for allowance, and the Applicants respectfully request that a Notice of Allowance be issued at the earliest opportunity.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
